A distinguished faculty offering education with Arabic Preparation Class on International Standards in addition to Second Foreign Language Education...

We are training professionals in Islamic Sciences at Esenboğa Campus in Ankara equipped with recent technology. We are offering a qualified education with rich library and classrooms with application possibilities.

We have an experienced young and dynamic academic staff who received their undergraduate and graduate education at pioneer universities in Europe and Turkey. The faculty has a vision that attaches importance to national and international activities.

Graduates may work at the institutions offering formal or non-formal religious education under the roof of Ministry of Education, faculties of Theology or Islamic Sciences of private and public universities as research assistant. They may also be employed at the varied units of Directorate of Religious Affairs offering religious services; varied units of Ministry of Health and Ministry of Family and Social Policies, and private educational institutions and in many areas abroad.

The graduates also may have many job opportunities thanks to language education they obtain.

The faculty that attaches importance to both information and interest has an academic staff who aims to train professionals in Islamic Sciences who have interiorized humanistic values and pursuing any kind of development and change. The faculty has 47 academic staff consisting of 30 faculty members such as 11 Professors, 8 Associate Professors, 11 Assistant Professors, 3 Lecturers and 15 Research Assistants.
