A faculty that
provides a
distinguished
education in
theory and
practice...

We are training professional physicians at Bilkent Campus equipped with highest technology in Ankara. We are offering a qualified education with rich library and classrooms with application possibilities.

We have an experienced young and dynamic academic staff who received their undergraduate and graduate education at pioneer universities in Europe and Turkey. We training individuals equipped with socio-cultural aspects in addition to applicable medical sciences and integrated with the world.

30% of the students of the faculty consists of international students. The education of Faculty of Medicine depends on integrated system and the six year education is 100% in English for Medicine Program in English whereas 100% in Turkish for Medicine Program in Turkish.

The students of the faculty continue the last three years of their education at Ankara Atatürk Education and Research Hospital and Yenimahalle Education and Research Hospital with which we have a joint tenancy agreement.

There are Medicine Program in Turkish and Medicine Program in English within the body of the faculty. The faculty has 286 Academic Staff consisting of 202 faculty members such as 88 Professors, 57 Associate Professors, 57 Assistant Professors, 4 Specialists and 80 Research Assistants.
